Application No. 09/818,575

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on March 9, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

On November 23, 2005, appellants filed an Appeal Brief. A review of the file reveals that the appendix to the Brief needs to be submitted as a separate paper attached to the Brief as opposed to being within the body of the Brief. Accordingly to MPEP 1205.02 which states:

. . . . The copy of the claims should be double spaced and the appendix should start on a new page.

Appropriate correction required.

In addition, claim 25 in the appendix of the Appeal Brief is not consistent as amended in the Amendment filed on February 28, 2005. Appropriate correction required.

Accordingly, it is **ORDERED** that the application is returned to the Examiner for:

- 1) a separate Appendix should be submitted to be attached to the Brief;
- 2) for correction of the Appendix; and
- 3) for such further action as may be appropriate.
